# about us

Founded in the 1980s, we at **Renbake Patisserie** had the best foundations for a successful patisserie.

At the heart of our business was an infatuation with desserts and all things sweet. This was enhanced by determination and hard work.

Almost 30 years later, **Renbake** is still filled with that same passion and determination, which is proven by our success with our esteemed clients.

Most of all, **Renbake** prides itself on innovation. There is always a new product to test in the kitchen or an improvement to an existing favourite.

We are devoted to providing the most delicious desserts and beautiful bakes to all clients, whether they be caterers, retailers, restaurants or the independent client who simply needs a special cake for a special occasion. We can accommodate special requests and personalisation of desserts.

Our customer service is second to none. When catering for your special occasion we understand the importance of our desserts adding to the ambience of your event. All our representatives are keen to help and provide you with the finest service and advice possible, meaning one less burden for you.
